

WORLD VALVE CO.,LTD

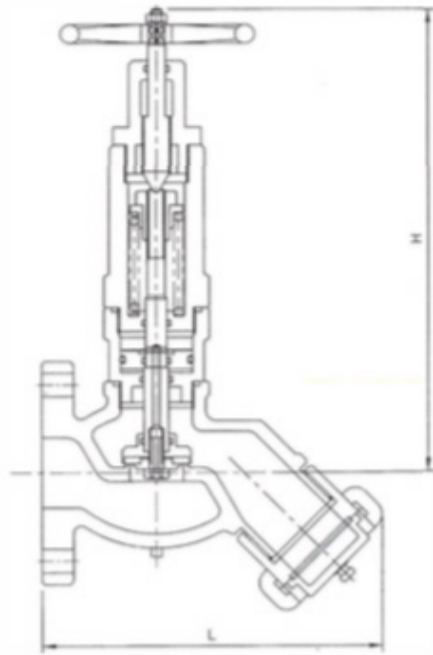

Reducing Valve

Product Information

Reducing Valve

| Materials | | |
|-----------|-----------|------------------------|
| No. | Part Name | Material |
| 1. | Body | Cast bronze |
| 2. | Trim | Stainless steel, Monel |
| 3. | Disc | Teplon |
| 4. | Coupling | Cast bronze |

| Dimensions | | | |
|------------|-------|---|---|
| Size | d | L | H |
| 25A | PT 1" | | |
| 40A | 40 | | |
| 50A | 50 | | |
| 65A | 65 | | |
| 80A | 80 | | |

| Specifications | |
|---------------------|---|
| Inlet Pressure | 16 kgf/cm ² |
| Outlet Pressure | 5 - 7 kgf/cm ² g |
| Working Temperature | Max 80°C |
| Working Fluid | Water, Sea water |
| End Connection | ANSI 150# Flanged, JIS 16K Flanged (PT Screwed) |
| Valve Type | Globe Type, Angle Type |
